(1) The Minister may, by order published in the Gazette, prescribe a person or body as the sports controlling body for a sporting event.

(2) There is to be no more than one sports controlling body for each sporting event.

(3) The regulations may make provision for or with respect to the prescription of a person or body as a sports controlling body including, but not limited to, the making of applications, the provision of information and the prescription of fees.

18 Prescription of events as declared betting events

(1) The Minister may, by order published in the Gazette, prescribe an event or class of events (whether or not a sporting event) as a declared betting event.

18B Prescription of sporting events without sports controlling body

- (1) This section applies to an order that prescribes a sporting event as a declared betting event (or that permits a new type of bet on a sporting event that has been prescribed as a declared betting event) but only if there is no sports controlling body for the sporting event.

- (3) The Minister, in determining whether to make an order to which this section applies, is to take into consideration:
 - (a) the public interest, and
