Penrith Local Environmental Plan 1997 (Penrith City Centre) (1997 EPI 646)

New South Wales

Part 1 Preliminary

1 Name of plan

This plan may be cited as *Penrith Local Environmental Plan 1997 (Penrith City Centre)*.

2 Aims and objectives

(1) The aims of this plan are:

- (a) to encourage the development of the Penrith City Centre as the principal retail, commercial, cultural and social centre in the local government area of Penrith with an environment which responds to the needs of those who will use it, and
- (b) to promote development which is consistent with the council's vision for the City of Penrith contained in its strategic management plan, namely, one of a region having a harmony of urban and rural qualities with a strong commitment to environmental protection and enhancement.

(2) The objectives, policies and strategies of this plan are:

- (a) to provide a planning framework which allows development control plans to supplement the controls embodied in this plan, and
- (b) to provide an environmental planning base which will encourage diversity by permitting a wide range of activities in order that the needs of the people served by the centre can be realised, and
- (c) to allow strategies to be developed that will result in improved public amenities and services including traffic and carparking improvements and improved environmental quality within public spaces, and
- (d) to create conditions which are conducive to investment and will increase the economic potential of the City Centre, and
- (e) to promote development of the City Centre by ensuring that adequate land to

accept the extent and range of future development is available in appropriate locations in the City Centre, and

(f) to improve the environmental quality of the City Centre, and

(g) to foster employment generating businesses, and

(h) to identify land which will need to be acquired by public authorities for the provision of additional public amenities and services and identify the responsible authorities.

(3) The council must consider the aims and objectives of this plan in determining development applications. This plan also includes objectives for each zone.

3 Land to which this plan applies

This plan applies to the land within the City of Penrith which is shown edged by a heavy black line on the map.

4 Relationship to other plans

(1) With the exception of *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*, this plan repeals all other local environmental plans and deemed environmental planning instruments in so far as they relate to land to which this plan applies.

(2) Nothing in this plan affects the application, to land to which this plan applies, of *Penrith Local Environmental Plan 1991 (Environmental Heritage Conservation)*.

(3) *State Environmental Planning Policy No 22—Shops and Commercial Premises* is amended:

(a) by omitting from clause 4 (1) the matter “subclause (2)” and by inserting instead the words “this clause”,

(b) by inserting after clause 4 (2) the following subclause:

(2A) Clause 6 (1) does not apply to land within Zone No 3 (b) or 3 (c) under *Penrith Local Environmental Plan 1997 (Penrith City Centre)*.

(4) Development consent must not be granted for development of land to which this plan applies unless development of that land will be generally consistent with the provisions and the objectives of any development control plan applying to the land.

5 Model Provisions

Clause 35 of, and Schedule 1 to, the *Environmental Planning and Assessment Model Provisions 1980* are adopted for the purposes of this plan.
