- (4) The Children's Guardian must make criteria approved under subclause (1) available for public inspection.
- (5) Failure to comply with subclause (4) does not affect the validity of any decision of the Children's Guardian to accredit or not accredit an applicant.

36A Determination of application for accreditation

- (1) The Children's Guardian may grant accreditation as a designated agency to an applicant if, in the opinion of the Children's Guardian, the applicant wholly or substantially satisfies the accreditation criteria referred to in clause 36.
- (2) The Children's Guardian may come to the opinion that an applicant satisfies a particular accreditation criterion if a body, recognised by the Children's Guardian for the purposes of this subclause, has determined that the applicant meets a standard or other criterion recognised by the Children's Guardian for the purposes of this subclause in respect of the accreditation criterion.
- (3) The Children's Guardian may grant the following accreditation:
 - (a) if the applicant has made arrangements for the provision of out-of-home care in

36C Children's Guardian may set aside decision not to accredit

- (1) If the Children's Guardian is satisfied that an application for accreditation as a designated agency should not have been refused, the Children's Guardian may withdraw the refusal under clause 36B and issue a notice granting accreditation.
- (2) The notice may provide that accreditation is taken to have had effect on and from the date the previous decision not to accredit took effect, or such later date as may be specified in the notice.

36D Requirements where only provisional accreditation granted

- (1) A designated agency granted provisional accreditation must notify the Children's Guardian in writing when the agency first makes arrangements for the provision of out-of-home care after being accredited.
- (2) The notice must be given by the next working day after the first arrangements are made.

36E Progression from provisional accreditation to full accreditation

- (1) A notice given under clause 36D (1) is taken to be an application under clause 35 for full accreditation.

- (2) The Children's Guardian may, by notice in writing, waive any requirement imposed by or under clause 35 in respect of such an application if the Children's Guardian is satisfied that the requirement was met by the designated agency in the course of being granted provisional accreditation.
- (3) Without limiting clause 35 (3), the Children's Guardian may require the applicant to furnish to the Children's Guardian such information as to the applicant's practice and other matters as the Children's Guardian may reasonably require in order to assess the applicant's suitability to be granted full accreditation.
- (4) Any information that is required under subclause (3) must be furnished to the Children's Guardian on or before the reasonable date specified by the Children's Guardian by notice in writing.
- (5) The Children's Guardian must not determine the application within 12 months of the applicant first making arrangements for the provision of out-of-home care after its provisional accreditation.

Clause 38 provides for the accreditation period for provisional accreditation to be 3 years.

36F Accreditation criteria must be wholly satisfied

- (1) A designated agency granted accreditation under this Regulation that did not wholly satisfy the accreditation criteria that applied to the agency in respect of its application for accreditation must wholly satisfy the accreditation criteria:
 - (a) in the case of a designated agency granted full accreditation—within 12 months of its accreditation, or
 - (b) in the case of a designated agency granted provisional accreditation—within 12 months of the date the agency first made arrangements for the provision of out-of-home care after its accreditation.
- (2) The Children's Guardian may, by notice in writing given to the agency, specify a shorter period for the purposes of subclause (1) (a) or (b).

Subdivision 2 Transfer of accreditation

37 Application of Subdivision

- (1) The accreditation of a designated agency (other than a departmental designated agency) may be transferred only in accordance with this Subdivision.

- (2) Subclause (1) does not prevent the transfer of accreditation of any designated agency if it is transferred in accordance with any other Act or law.

37A Application for transfer of accreditation

- (1) An application for approval to transfer accreditation from a designated agency (***the transferor***) to another organisation (***the transferee***) that is not a designated agency may be made by a transferor to the Children's Guardian in the form approved by the Children's Guardian.
- (2) The Children's Guardian may require a transferor or transferee to furnish to the Children's Guardian such further information as the Children's Guardian may reasonably require in order to determine the application.
- (3) Any information that is required under subclause (2) must be furnished to the Children's Guardian on or before the reasonable date specified by the Children's Guardian by notice in writing.

37B Transfer of accreditation

- (1) The Children's Guardian may, by notice in writing, approve or refuse the application to transfer accreditation.
- (2) The Children's Guardian must not approve the application unless:
- (a) the transferor and the transferee are not in contravention of any guidelines issued by the Children's Guardian under clause 37D (1) that apply in respect of the application, and
 - (b) the transferor is not in contravention of any condition of its accreditation, and
 - (c) the transferor and the transferee are not in contravention of any condition on the process of accreditation under this clause, and
 - (d) the Children's Guardian is of the opinion that the transfer will promote the best interests of children and young persons in out-of-home care.
- (3) The Children's Guardian is to consult with the Department and the Ombudsman before determining the application.
- (4) If the transferor is funded by the Department of Ageing, Disability and Home Care in respect of the arrangements the transferor makes for the provision of out-of-home care, the Children's Guardian is to consult with that Department before determining the application.

37C When transfer takes effect

- (1) A transfer of accreditation approved under clause 37B takes effect on the later of the following days:
 - (a) when the transferee accepts the transfer by notice in writing given to the Children's Guardian,
 - (b) on the date specified in the Children's Guardian's approval.
- (2) If the transferor ceases to exist before the transfer takes effect, the transfer is taken to have had effect when the transferor ceased to exist.
- (3) When a transfer takes effect, the transferor ceases to be accredited as a designated agency and the transferee is accredited as a designated agency, the transferee's accreditation being taken to be the accreditation granted to the transferor.

37D Transfer guidelines

- (1) The Children's Guardian may issue written guidelines in respect of the exercise of functions under this Subdivision including, but not limited to, the following:
 - (a) the granting of approvals,
 - (b) the imposition of conditions on the process of accreditation and on accreditations.
- (2) Without limiting subclause (1), the Children's Guardian is to have regard to the following matters in carrying out functions under this Subdivision:
 - (a) whether, for the purposes of continuity of out-of-home care, the transferor and transferee have made all reasonable efforts to vest in the transferee the assets, rights and liabilities related to that out-of-home care that are vested in the transferor,
 - (b) whether, for the purposes of continuity of out-of-home care, the transferor and transferee have made all reasonable efforts to provide for individuals employed by the transferor for the purposes of the provision of that out-of-home care to be employed by the transferee,
 - (c) whether a proposed transfer will prejudice any legal proceedings or proposed legal proceedings to which the transferor is, or is likely to become, a party and whether the transferor and transferee have taken all reasonable steps to ensure that this does not occur.

37E Consequences of transfer of accreditation

- (1) This clause applies to an accreditation that has been transferred under clause 37B.
- (2) Any authorised carer authorised by the transferor whose authorisation was in force

immediately before the transfer took effect is taken to have been authorised by the transferee.

- (3) The accreditation period that applied to the transferor applies to the transferee and is taken to have started on the date the transferor was accredited.
- (4) Any condition on the transferor's accreditation that was in force immediately before the transfer took effect applies to the transferee's accreditation, subject to any variation or revocation of conditions by the Children's Guardian pursuant to this Regulation.
- (5) For the purposes of clause 40 and Schedule 4, the transferee is taken to have satisfied the accreditation criteria the transferor satisfied to be accredited.

Subdivision 3 Accreditation administration

38 Form and accreditation period

- (1) An accreditation is to be in such form as the Children's Guardian may approve.
- (2) The Children's Guardian may grant an accreditation period of 1, 3 or 5 years to a designated agency being granted full accreditation if the agency did not hold provisional accreditation immediately before being granted full accreditation.
- (3) The Children's Guardian may grant an accreditation period of 1 or 3 years to a designated agency being granted full accreditation if the agency held provisional accreditation immediately before being granted full accreditation.
- (4) The Children's Guardian may grant an accreditation period of 3 years to a designated agency being granted provisional accreditation.
- (5) The date the accreditation period of a designated agency ends is not extended by a suspension of accreditation under clause 40.

- (1) This clause applies to a designated agency that has made an application to renew its accreditation if the determination of the application is deferred under clause 35B.
- (2) The accreditation period is extended until the notice given under clause 36B in respect of the application takes effect.

38B Accreditation extended until decision not to re-accredit takes effect

- (1) This clause applies to a designated agency that has had its application to renew its accreditation refused and the decision to refuse the application has not taken effect.
- (2) The accreditation of the agency ends when the decision takes effect.

38C Accreditation extended to accommodate changes

The Children's Guardian may extend the accreditation period of a designated agency, by notice in writing given to the agency, to the date specified in the notice if the Children's Guardian is of the opinion that changes or proposed changes to the administration of out-of-home care under the Act make the extension appropriate.

39 Conditions on accreditation and process of accreditation

- (1) An accreditation is subject to the conditions set out in Schedule 4.
- (2) The Children's Guardian may impose such other reasonable conditions as the Children's Guardian sees fit on an accreditation, and may vary or revoke such conditions, by notice in writing given to the designated agency.
- (2A) Without limiting subclause (2), the Children's Guardian may impose a condition prohibiting the designated agency from providing, arranging or supervising voluntary out-of-home care.
- (3) The Children's Guardian may impose such reasonable conditions as the Children's Guardian sees fit on the process of accreditation (including accreditation by way of a transfer under clause 37B), and may vary or revoke such conditions, by notice in writing given to the applicant.
- (4) If an accreditation is transferred, a copy of the notice given under subclause (3) is to be given to the transferee.
- (5) If the Children's Guardian is satisfied a condition should be imposed under subclause (2) on a departmental designated agency, the Children's Guardian must first report to the Minister on the need to impose the condition.
- (6) A condition imposed under this clause may authorise any matter or thing to be from time to time determined or applied by any specified person or body.

Note—

Contravention of a condition of accreditation is not an offence but is grounds for shortening the accreditation period, or suspending or cancelling the accreditation, of a designated agency.

40 Accreditation—shortening, suspension and cancellation

- (1) The Children's Guardian may, by notice in writing given to a designated agency:
 - (a) shorten the accreditation period of the agency to a date specified in the notice, or
 - (b) suspend the accreditation of the agency for the period specified in the notice or until a specified matter has been completed, or
 - (c) cancel the accreditation of the agency from the date specified in the notice.

- (2) The Children's Guardian may give a notice under subclause (1) to a designated agency if the Children's Guardian is satisfied of any of the following:
- (a) that the agency made a statement or furnished information in connection with the administration of the Act that the agency knew to be false or misleading in a material particular,
 - (b) that the principal officer of the agency made a statement or furnished information in connection with the administration of the Act that the principal officer knew to be false or misleading in a material particular,
 - (c) that the agency failed to comply with any condition of accreditation imposed on the agency's accreditation,
 - (d) that the agency failed to comply with any obligation or restriction imposed on the agency by or under the Act,
 - (e) that the principal officer of the agency failed to comply with any obligation or restriction imposed on the principal officer by or under the Act,
 - (f) that the agency failed, while the agency had been accredited less than 12 months, to substantially satisfy the accreditation criteria that applied to the agency in respect of its application for accreditation,
 - (g) that the agency failed, at any time after the agency had been accredited for at least 12 months, to satisfy the accreditation criteria that applied to the agency in respect of its application for accreditation.
- (2A) Despite subclause (2), the Children's Guardian is not to take action under subclause (1) if the Children's Guardian is satisfied:
- (a) that the designated agency failed to comply with any condition of accreditation that relates solely to the provision, arrangement or supervision of voluntary out-of-home care (other than a condition prohibiting the agency from providing, arranging or supervising voluntary out-of-home care), or
 - (b) that the designated agency failed to comply with any other obligation or restriction imposed on the agency by or under the Act that relates solely to the provision, arrangement or supervision of voluntary out-of-home care.

Note—

The effect of this subclause is that the Children's Guardian will not enforce compliance by designated agencies with conditions of accreditation, and other obligations and restrictions by or under the Act, that relate solely to voluntary out-of-home care by the methods set out in subclause (1) (being the shortening the accreditation period or suspending or cancelling the accreditation of the designated agency). The Children's Guardian may instead impose a condition of accreditation prohibiting the designated agency from providing, arranging or supervising voluntary out-of-home care—see clause 39 (2A). Breach of such a condition can lead to enforcement by the methods set out in subclause (1).

- (3) In the case of a departmental designated agency, the Children's Guardian must report to the Minister before issuing a notice under subclause (1).
- (4) If the Children's Guardian is satisfied that a notice under subclause (1) should not have been given to a designated agency, the Children's Guardian may, by notice in writing given to the agency, withdraw the notice and reinstate the accreditation, or, in the case of a shortening of an accreditation period, reinstate the accreditation period of the designated agency, and the accreditation is taken to have continued in existence as if the notice under subclause (1) had not been given.

40A Designated agencies with suspended accreditations

- (1) Subject to subclause (2), a designated agency remains a designated agency while the agency's accreditation is suspended.
- (2) While a designated agency's accreditation is suspended, the agency is not a designated agency for the purposes of section 138 of the Act.
- (3) The Children's Guardian may remove the suspension of a designated agency's accreditation at any time by notice in writing given to the agency.

40B Designated agencies with shortened accreditation periods

- (1) The Children's Guardian may, by notice in writing given to a designated agency, reduce the period by which the agency's accreditation period has been shortened under clause 40.
- (2) For the removal of doubt, the shortening of an accreditation period under clause 40 does not prevent the accreditation period from being extended under clause 38A, 38B, 38C or 38D.

- (2) The Children's Guardian may cancel the registration of a registered agency only if the Children's Guardian is satisfied:

 - (b) that the agency failed to comply with any condition imposed on the agency's registration, or
 - (c) that the agency failed to comply with any obligation or restriction imposed on the agency by or under the Act, or
